

# Custom Keyboards

A Beginners Guide!

## What are Custom Keyboards?

Custom keyboards are just what they sound like: they're keyboards you can customize! You can customize pretty much everything too; the sound, the feel, the appearance, you can customize all of it! There's pretty much no limit to what you can do. In this guide, I'll be teaching you pretty much everything you need to know to get the exact keyboard you'd like!
